

WHEN WE FIGHT, WE WIN!

JOIN UTWSD AND WIN!

WHY WE NEED YOU TO SUCCEED:

We're closer than ever to real taxi reform! UTWSD members have been consistently fighting since 2009 for drivers rights! We're almost there but we need your help! Councilmember Marti Emerald's put in a request for the City Attorney to come up with recommendations for reform. We have to stand by Councilmember Emerald and the other Councilmembers who support drivers.

NEXT STEPS:

- 1) **Join UTWSD.** Support by paying your dues or becoming a volunteer member by helping sign up other drivers!
- 2) **Organize for Public Safety Committee meeting.** The reforms will have to go back to committee to discuss any changes they want to see or not. Show up in numbers to support taxi industry reform.
- 3) **Organize for full City Council meeting.** This is it! City Council will vote to pass taxi reform. We show up and fight!

To Win We Need All Drivers To Stand United!
